### Officers Reports

- **Archery** - *Casmir*
  - I grabbed some gear from storage
  - I would like to start regular practice back up. What are the SCA guidelines on the return from exile
    - The East Kingdom has declared all official SCA social gatherings cancelled until July 1st.
- **Exchequer** - *Maria/Llewellyn*
  - Not very much going on in the baronial finances at the moment. We did conclude that we had gotten the number of attendees wrong for A&S, so we made \$400 more of a profit than originally calculated. I've sent off an additional check to the kingdom for \$200. This means that our actual net event profit was \$469.18, and the Barony came away with \$234.59.
  - I've poked through some of the folders and such of receipts from past events, and recall that Llewellyn had mentioned someone has a filing cabinet of even more past records. Could we get that moved to the storage unit? As far as I know, we only need to hold onto financial records for up to 7 years, but that will add up to quite a bit of paper over time.
  - Our current budget balance is \$17,011.97
- **Fencing** - *Jean-Michel/Catalina*
  - We are still locked out of fencing.
  - Extensive, scientific study has shown that people want to stab people in the face. People also feel that my face makes them want to stab it. A minority of people report that they will die if they do not get to stab people in the face soon. A similar population also report that people deserve to get stabbed in the face.
- **Heavy** - *Viktor Dominik*
  - No Report.
- **MOL** - *Casimer*
  - Nothing to report, unfortunately
- **Thrown Weapons** - *Leon the Navigator*
  - No Report
- **Chamberlain** - *Agapios*
  - Some things have been returned to storage. Some archery equipment has been removed.
- **Chatelaine** - *Dionisia*
  - Happy Birthday Dio! (in advance of Thursday)

- No new people but a possible demo ... I've been talking with the folks at CT Renfaire in Lebanon CT about possibly doing a demo the first two weekends of their fall faire. They would be looking for us to do 5 days. It would've Sept 5,6,7 12&13 if people would be interested.
  - General interest expressed. Handouts for separate Baronys with contact information was suggested
- **Herald - Kit**
  - Wymarc de Glen (Sidney our Thrown Weapons Champ) has passed the EK College of Heraldry and is being passed along to SCA
  - Need to submit heraldry for the Order of the Scald
    - Once the form is filled out we'll need an \$18 check for submission
- **MOAS - A'isha**
  - Due to state lockdown, nothing is set up.
  - Is there an interest in an online A&S class or exhibition?
    - Generally YES
    - See Webmin Report
  - There are online workshops set up by EK MoAS & other kingdoms.
  - EK MoAS is looking for comments on running baronial A&S competitions.
  - Biannual A&S report due 6/1. I'll forward a copy to Baroness Rhode & Christoffel as Seneschal. Does Baroness Wurm have an email set up yet so I can send it to her as well?
- **Webminister/Chronicler - Isabel**
  - Webminister:
    - An A&S display could be set up using Google Slides with EK accounts. It can be set up as an ongoing project
      - More info to come in July
  - Chronicler: nothing new to report
- **Seneschal - Christoffel/Isabella**
  - Kingdom-wide isolation restrictions on events has been extended until the end of June. This includes Crown Tourney, Coronation, War of the Roses, War Practices, Beltaines etc
  - If you do not have a Deputy, please get one!
  - There are many online opportunities to interact with friends and learn in spite of not being able to be physically there. PLEASE MAKE USE OF THIS! It is wonderful to see familiar faces and discuss common interests. It even gives us a chance to visit other Baronies meetings.
  - Pennsic 49 has been rescheduled until next year
  - Thermometers are being supplied to non-profits. I submitted an application for one and it was approved. I will be picking it up this week.
    - I have contacted the Kingdom Seneschal for guidance about this. There is a lot to consider if we were to voluntarily implement this.
      - If it is a Site, Local, State or federal requirement we will at least be prepared to be in compliance.

- If it is not a requirement, we need to know if we are able to demand attendees to events, practices and meetings submit to this and if they are above a certain threshold, can we demand they leave? This is not a “Should we?” but more of a “Can we?” question and I’m not even sure if we as a group want to do this anyway.
- **Baronial Coronet - Worm & Rhode**
  - House Runnymede plans to have an online Q&A session after EK court Sunday Apr. 26th
    - So, How did it go?

### **Past Events**

- None.

- CT Renaissance Fair, Sept 5- Oct 18, *Dionisia*
  - It is still planned to happen (Maria)
- Champions Day, date TBD, *Llewellyn/Gwenlian(BBM)*

  - Waiting to hear back from site to determine a date
  - VASA replied to Rhode and October is open.
    - Llewellyn can just pick a date
- St. Elegius- Nov 14, *Maria/Catalina/Isabella*
  - Maria proposed a name change to “St Elegius Arts 7 Science Exposition”
    - Voted and approved unanimously
  - Kit offered to run the competition
    - Agapios offered to co-run competition
  - Maria would like to meet with everyone heading up things to sort things out
  - Isabella will run dayboard
  - Continue to look for a cheaper site or possibly talk to Len about renting the first 2 floors of the Masonic lodge
  - Isabel asked if we are still under isolation if we should consider an online competition
    - General consensus was that it would not really be feasible. Food & drink not able to be shared. Textures not able to be judged. If we can’t run it in person we should cancel.

  - Catalina has a template for us to contribute to. Please send her submissions to be added to the document
  - A&S has been submitted

- An updated inventory is needed
  - Martial loaner (Archery & Rattan)
  - Storage, feast gear, regalia etc
  - Servingware, tablecloths
    - We need a complete overhaul of baronial servingware.
      - If we are not able to use a site's equipment and Dyan is not available, we are in a sad state.
    - We could use a workshop to make some new ones. Look forward to this in upcoming MOA&S announcements
