Attendance: Physical- 0 Digital- 16

Upcoming Business Meetings

- April 19 Zoom

Officers Reports

- **Archery - Casmir**
 - Archery is Dormant
- **Exchequer - Llewelwyn/Maria**
 - I still need a check from Izzy for the difference of dayboard for A&S champs (\$209.18).
 - I need the physical receipts for the new drink coolers from Agapios and to write him a check for them.
 - Bank signatories have changed. Signatories on the bank account are now Maria, Christoffel, Mikjall (Kingdom), and myself. Rhode and Tristan have been removed.
 - I worked with Maria after A&S champs on all the paperwork that needs to be done after an event and she's ready to do that. If the Barony votes for her as my replacement today, she'll be ready. I will remain on as the deputy exchequer to continue to help where I may. We also found out that there is such a thing as an emergency exchequer from Kingdom when he came down to sign on the bank account. This is the "drop dead" exchequer as he put it. If anything happens to the current exchequer, the emergency immediately takes over so the Barony is never without this required office. I'll be staying on in this capacity as well.
 - After the 50% split with Kingdom, the Barony made \$34.59 from A&S Champs. It cost \$4,095.82 to run and we pulled in \$4,165 at gate.
 - Sheets were not completely filled out at gate for the event and this became another headache for Maria and myself trying to figure out the books to see if the till was even. For those running gate in the future, please make sure that you have those working for you fill out every line on the sign in sheets, including the total. It makes the job so much easier
- **Fencing - Catalina**
 - Fencing was going pretty well. Currently practice will be on hold until the town of Hamden deems it safe for public buildings to be used for social gatherings again.
 - I had two inquiries about practice from CT residents just before the COVID-19 began to really ramp up. So we might have two more new fencers join us when things get back to normal.
 - It's been an honor serving as the Baronial fencing marshal these past few years. Thank you for the opportunity!
- **Heavy - Viktor Dominik**
 - No report.

- **MOL - *Maria/Jean Michel***
 - Nothing much to report this month.
 - I've talked a bit to kasimir about the duties of the position.
 - We've been discussing ideas for the fencing tournament at Balfar's, though I don't know if that's going to be much use anymore.
- **Thrown Weapons - *Leon the Navigator***
 - Started throwing due to nice weather spell. Then stopped due to virus.
- **Chamberlain - *Agapios***
 - We Have stuff
 - If you have stuff that belongs to the barony let me know I need to put it in storage. No more having things everywhere so we dont remember if it is personal or baronial.
 - When we remove things from storage the Chamberlain needs a list

- Balfar's Challenge, April 18, Isabel/Maria/Dionisia

 - Re-schedule dates???
 - Schedule is going to be very full with Kingdom events and we don't know when the isolation orders will cease.

 - Exchequers say yes probably. We may need to cinch the belt some.

 - Isabella will run dayboard
 - Maria went to the North Haven UU church again, on second viewing it was as big as it had first appeared. I'm going to keep looking for alternative sites, but if we don't find a better one by the end of May, I think we should consider just staying with the current site with the addition of the sanctuary for Court.
 - Continue to look for a cheaper site or possibly talk to Len about renting the first 2 floors of the Masonic lodge
- Champions Day
 - Possibly joint with BBM?

New Business

- Autocrat emails for Balfar's Challenge and St. Elegius
 - Not ready yet
- Discussed possible additional custom amendment to allow Coronet to run for Kingdom Office pending Baronial Populous approval at a meeting.
 - Motion was removed from the table
- Discussion regarding a possible indoor Archery themed event possibly at the Naugatuck site over the winter
 - Concerns raised
 - Requirements by town to use local caterers and lack thereof.
 - Cost of the site is high for a small event. Suggestion of a Kingdom event to ease overall cost such as K&Q Archery Champions or something to that effect.
 - January Update... Possibly use VASA Park instead for a smaller event
 - General support for the idea was expressed with discussion of the concerns addressed.
- Llewellyn spoke with the Baronesses around the time they stepped up about getting the Barony's awards up on the EK Wiki page and they thought it was a good idea. I saw the other day they added categories for all the Baronies even if they didn't have the awards up yet and it reminded me about this. I emailed Michel Knauer, who is in charge of the wiki page, about what we as a Barony can do to get the awards up there. He said we just need to upload images for any awards we have *which have registered badges* and let him know and he'll make the templates for them.
 - The awards we currently have badges for (that are still in use) listed on oanda.sca.org :
 - **Order of the Yale** - Per pale argent and azure, six elm trees in annulo counterchanged.
 - **Order of Frea's Cup** - (Fieldless) A woman passant contourny maintaining a drinking horn Or.
 - **Order of St. Martin** - Azure, on a sun argent a capital letter M azure.
