Officers Reports

- **Archery** - *Casmir*
 - Archery practice goes ever on.
 - We have had several new Archers attend the practice since the last meeting, and inquiries from one more person.
 - I have exchanged messages with our current Archery Champion. Lady Nergis bint Mustafa. She is planning on designing and running the Archery Baronial Championship this year. She has selected a tentative date of October 21st at our regularly schedule Practice. I will add this to the Archery Webpage on the DSH Website.
 - There is now an Archery Webpage on the DSH website. Thank You Rhode
- **Exchequer** - *Llewelwyn/Tristan*
 - Checking \$ 8,202.97
 - I am looking for a deputy.
 - For coronation, I've started getting preregs and feast reservations. There are still plenty of seats for feast. Are we comping their majesties (incoming/outgoing)? I want to put them on the prereg sheet if we are and save them their spots at feast.
- **Fencing** - *Catalina*
 - We took one week off from fencing practice for Pennsic, but we were right back at it last week with an attendance of 9! We even have a new fencer in the Barony who moved up from the Kingdom of Atlantia. Everyone welcome Trian! We're excited to have you at our practice and look forward to working with someone who is clearly passionate about studying different schools of fencing, especially Fabris.
 - I believe, since my last report, we had another one of our new fencers authorize. Congrats to Lauren (SCAdian name Agnes is still pending) on her recent authorization! That makes three newly minted fencers in the Barony: Justin, Maria, and Lauren. Justin also added two more authorizations to his resume; he authorized in dagger at EK 50 Year and in rigid parry at Novice Day. Congrats Justin, perhaps we'll make an MIT out of you soon! Good job everyone!
 - In other fencing news, Don Christoffel has taken Baron Agapios on as a cadet. Congrats you two!
- **Heavy** - *Viktor Dominik*
 - No Report
- **MOL** - *Jean-Michel*

- No news is good news.
- **Thrown Weapons - Leo**
 - No Report
- **Chamberlain - Jaji**
 - Can the Baronial serving gear be made available to the Kitchen Crew for Coronation. Since I am nominally heading up those efforts as regard to local supplies, I will make arrangements to pick up such items
- **Chatelaine - Dionisia**
 - Not Much going on.
- **Herald - Agapios/Tristan**
 - Order of Freya's Cup Passed
 - Order of Sun's Stone still at Society
 - Catalina was inducted into the Order of the Silver Wheel at Pennsic.
- **MOAS - A'isha**
 - Tablecloths have arrived. I still need to get material to carve so I can set up workshop to stamp design on them. That workshop probably won't be until after Coronation. I thought it would be better to have plain blue tablecloths available for the event rather than only partially completed ones.
 - Will be setting up a favor making workshop.
 - Quarterly report is due 9/1.
 - So far, no one has contacted me to display their project at Coronation
- **Seneschal - Christoffel/Aelfwyn/Isabella**
 - Q&A answers are out.
 - We are still waiting on the addresses from Milpitas. Ballots will be out as soon as possible once we get them.
- **Webminister/Chronicler - Rhode**
 - Archery Page is up... Yeaay!
- **Baronial Coronet - Joseph & Brose**
 - Wilhelm & Vienna are looking for AoA level awards
 - We would still like to do a Champion's day
