Officers Reports

- *Archery - Casmir*
 - Archery practice is on-going. I have met with the BBM Archery Captain, Rumhann
 - MacDuibhsithe an Bhlog Seolta. He is a marshal in training and has no way to transport the equipment that BBM has. My take away is that this will be mostly on me. I have a request of the coronets. May I put you faces on an Archery target. I am thinking of a slot shoot but if they hit the coronets they loose points. I will need to get into storage to confirm the number of stands.
 - I have submitted my semi annual report to Kingdom.
- *Exchequer - Maria/Llewellyn*
 - Our current budget is \$13891.86
 - I have a check in the mail to Casimir for \$59.14
 - All the checks to vasa Park have come out, and i have deposited the site deposit from the Shoot No Pennsic event.
- *Fencing - Jean-Michel/Catalina*
 - With no practice site there has been nothing going on.
 - A'isha has spoken to Stanley T Williams Community Center in Northford as a possible site. The gym is cost-free for non-profits during normal hours if the permit is signed by a resident. She will get more information and find out cost for extended hours since 8 pm might be too early. Discussion ensued regarding possible funding for extended hours (e.g. Barony providing some of the cost, fighters and fencers covering the cost, etc.) She will get more information. A copy of the form proving non-profit status will be needed.
- *Heavy - Viktor Dominik*
 - No Report.
- *MOL - Casimer*
 - No Incidents to report! Practices have been held. Waivers have been signed .
- *Thrown Weapons - Leon the Navigator*
 -
- *Chamberlain - Agapios*
 - If anyone has anything to go into storage, please let me know
- *Chatelaine - Dionisia*
 -
- *Herald - Kit*
 - Pat Brown was inducted into the Order of Tygers Combattant
 - Discussion about various Populous badges Kit presented a number of options.
 - We decided to submit a fieldless and a split field to make sure we are able to have a choice.

- **MOAS - A'isha**
 - September A&S meeting was held 9/18. We baked bread over an open fire and learned about yeast. Three loaves were made and we taste tested bread made with brewers (vs bakers) yeast for comparison.
 - No date for October A&S meeting set. Asking for ideas of what people want to do. Otherwise, it will just be stitchery (what garb or embroidery people have been working on). I expect that October will be the last in person meeting as it will be getting too cold for outdoors.
 - Mask mandate adhered to. Brianna & Cheryl (BBM) attended.
 - Plague Cookbook is ongoing. Submissions still being accepted. Email A'isha.
- **Webminister/Chronicler - Isabel**
 - Webminister:
 - The website is working. I have updated a number of pages.
 - Discussion about the possibility of a newcomer page
 - Chronicler:
 - No Report
- **Social Media Officer- Kit**
 -
- **Seneschal - Christoffel/Isabella/Casimer**
 - The Kingdom is re-instituting mask requirements for events, meetings and practices. Masks must be worn at all times except when actively engaging in martial activity and then at your discretion.
 - The Kingdom Seneschal has been receiving reports about events & practices not enforcing mask guidelines.
 - She plans on actively investigating such claims and if a group is found to not be in compliance they will be sanctioned
 - Active mask monitoring needs to be enforced politely. It is recommended that there be a place either off site or on the periphery where people can “recover” by unmasking and putting it back on to re-join the event.
 - If someone refuses to wear a mask they are not in compliance with event rules and are to be asked to leave. If they do not they are trespassing and authorities need to be called. Let's pray it never goes this far.
 - I have a lot of work to do on the Baronial Custom document. I also need to update the website with the current(est) version.
 - If you do not have a Deputy, please get one!

- **Baronial Coronet - Worm & Rhode**
 - Worm
 - Thank you to officers for your work. Looking forward to Champions Day. Hope we can have Balfar's 2022. Send award recommendations. A'isha suggested people update their Wiki page so people know what awards have already been given.

 - How was Coronation??

Upcoming Events

- **Champions Day - Llewellyn/Gwentlian.**
 - After some emailing back and forth, Champs Day is no longer an RP and is back to its original plan.
 - I currently have only 38 people pre registered so if you haven't yet, please send me an email with all the information listed on the event page. This includes only 3 of the champions as well. I've emailed them all again asking how things are going with planning and if they could send me an email with all the info to sign up.
 - A'isha came up with an idea that people can have an SCA Garage Sale at the site with proceeds to offset the cost of the event. Split evenly between both baronies. She's agreed to be in charge of this.
 - I have Anarra and Quintius volunteering to run Gate. It shouldn't be too bad as it's a free event and they don't need to handle any money. Just check people off on the prereg sheet.
 - I believe we have plenty of toiletries in storage and Casimir said there are plenty of water bottles left after the last event. Gwenllilian is also going to bring plastic cups and 2 water coolers (as they are allowed now).
 - I have one person asking if they can bring their dog (on leash) to the event. What are people's thoughts on this?
 - The contract/checks have been sent out but I forgot to send a copy of the insurance. I'll call her Monday and ask if it's necessary since they have a copy already from shoot no pennsic.
 - Chiaretta suggested a donation box at gate to help offset to cost to the two baronies.
 - Casimir mentioned that BBM's archery marshal is just an MIT. This means that Dragonship will be bringing the stands, targets, etc. for the archery field. He is planning a window shoot and requested the Coronet's permission to use their images on the target where an archer will lose points if they hit the Coronet. Both baronesses agreed. He still needs to confirm with Agapios and Baron Joe what's available and where. Dorian is the BBM champion but will not be available for the event.
 - Baron/ess BBM said they will not need court time as they plan to instill their champions at Yule.
 - I have begun reaching out to the champions whom I've seen in person but will be making more of an effort with Gwenllilian this week to get the champs in contact with each other so they can start coming up with their tournaments. As of right

now, their archery champion slot is empty but they said they had something in the works so I'm not sure if Casimir is running the tourney alone or with help yet.
