 - Llewellyn made note of the difficulty with scheduling practice at Keef center since other organizations, that usually use classrooms, are using the gym. We are only being notified of the gym's availability at the last minute. The Food Bank is expected to be using the site for the next couple of months to prepare donations for the holidays.
 - Wilhelm has a possible alternative site at a soccer field in Naugatuck and is looking into it. The mask rules are that one must be worn at all times while indoors and worn when not actively fighting while outdoors (when helm comes off, mask goes on).
 -
- **Heavy** - *Viktor Dominik*
 - No Report.
- **MOL** - *Casimer*

Past Events

Upcoming Events

- **Champions Day - Llewellyn/Gwentlian.**
 - I currently have 104 people registered for the event. From what I can tell we have a number of people from outside the baronies coming as well.
 - I've updated the event page with all the info concerning the new vax/neg test policy. Gate staff are aware of everything they need to do. If you don't have your vax card, a pic of it, or a negative official test within 72 hours of the event opening you will be turned away and not allowed to enter the event. No exceptions. This includes staff and champions.

- As a reminder, as this is an outdoor event, those participants who are fighting are allowed to fight without a mask on but must put one back on when they take their mask/helm off. I would like to encourage people to fight while wearing one but it is not required.
- I need to talk to Agapios about getting into the storage unit to get toiletries, paper goods, and SCA signs.
- Do we have water left over from a previous event? Casimir believes Agapios has it. Christoffel has some masks he can bring. Casimir is scheduled to collect necessary archery equipment from storage and current location at Baron Joe's on Friday.
- Gwenlilian is getting the water coolers, masks, hand sanitizer, and sani wipes from the BBM unit this week.
- My schedule for the even is as follows:
 - 9 - set up the event, staff only including those running the tournaments
 - 10 - gate opens
 - 11 - thrown tourney
 - noon - fencing tourney
 - 1 - lunch break / mid day court
 - 2 - heavy tourney
 - 3 - archery tourney
 - 4 - court to recognize new champs
 - 5 - event close / clean up
 - 6 - hard stop. must be offsite.
- As you can see, it's a pretty tight day.
- A'isha came up with an idea that people can have an SCA Garage Sale at the site with proceeds to offset the cost of the event. Split evenly between both baronies. She's agreed to be in charge of this.
- Baron/ess BBM said they will not need court time as they plan to instill their champions at Yule.
