

Baronial Meeting Notes from October.

Sorry about the late posting. A couple of things I'd like to note, our officer elections are in June, now is the time to think about being a deputy, learning a new job, what might interest you, etc.

Also, [Beth Ann Bretter](#) and I have started to discuss and look into ways to migrate our email list off of yahoo and onto our website. Thoughts on this?

Officers Reports

Archery - Omelan

Greetings! Archery report. Practice continues, one or two more Sundays then closes until spring. We have a new Baronial Archery Champion, Olaf. I would like to thank everyone that attended the archery tourney.

Beautiful day

Fencing - Jean-Michel & Catelina

Heavy - Gerard & Pat Brown

Fighter practice continues weekly. The number of participants has dropped off a little lately, both due to seasonal variation and external conflicts, but we continue to have a healthy number of fighters of varying skill levels. We recently received a donation of some additional loaner gear, but we will need to get some additional pads, foam, and such pretty soon.

A reminder: there will be no heavy list at St. Eiegus. I would encourage everyone to seriously consider entering the competition or putting something on display.

MOL - Gwen

Thrown Weapons - Leo & Agapios

Chamberlain - Jaji

I received an email from StorQuest (nothing bad, thankfully!) but with the following info:
